BCRW Board Meeting

Tuesday, September 5,
2023 @ 9:30 am
101 Falling Creek Cove,
Marble Falls

I hope everyone has had a cool and refreshing summer
and ready to prepare our club for 2024!

We have a great speaker with Dr. Jon Spiers on Monday,
September 14th and have coordinated our Caring for
America project to support the Border Care Project.
Please bring items listed below to donate.

During the past 3 months we have had our Wine
Wednesday's, Summer Socials and had a great Burnet
County Republican Club meeting which brought new
members to us.

Our GOP Picnic is on Sunday, September 10, before our
meeting, and hope to see many of you there as this
fundraiser **helps support our scholarship and
political activities.** You can purchase your ticket on
eventbrite or purchase at the door.

Did you know that BCRW is going to be 45 years old!
We are celebrating on **Thursday, October 26th** and
want you to be there! See the information below and
purchase a ticket on eventbrite or at our September
meeting.

Speaking of meetings . . . **THERE WILL NOT BE AN
OCTOBER 12TH MEETING.** Our October meeting will
be on **Thursday, October 26th** to celebrate 45 years of
BCRW.

**Thank you for renewing your membership
and a big WELCOME to our new members.
YOU made it possible to retain our JUMBO
club status.**

**2024 MEMBERSHIP RENEWALS WILL
BEGIN IN OCTOBER**

**See you on September 14th at 11:30a.m.
Bring a friend! Oh, and don't forget, please
make a reservation. It is appreciated.**

**KEEP TEXAS RED!
MJA**

November 2023 Constitutional Amendment Election

The following is the ballot language for each proposed amendment.

Proposition 1 (HJR 126) - "The constitutional amendment protecting the right to engage in farming, ranching, timber production, horticulture, and wildlife management."

Proposition 2 (SJR 64) - "The constitutional amendment authorizing a local option exemption from ad valorem taxation by a county or municipality of all or part of the appraised value of real property used to operate a child-care facility."

Proposition 3 (HJR 132) - "The constitutional amendment prohibiting the imposition of an individual wealth or net worth tax, including a tax on the difference between the assets and liabilities of an individual or family."

Proposition 4 (HJR 2 - 2nd Special Session) - "The constitutional amendment to authorize the legislature to establish a temporary limit on the maximum appraised value of real property other than a residence homestead for ad valorem tax purposes; to increase the amount of the exemption from ad valorem taxation by a school district applicable to residence homesteads from \$40,000 to \$100,000; to adjust the amount of the limitation on school district ad valorem taxes imposed on the residence homesteads of the elderly or disabled to reflect increases in certain exemption amounts; to except certain appropriations to pay for ad valorem tax relief from the constitutional limitation on the rate of growth of appropriations; and to authorize the legislature to provide for a four-year term of office for a member of the board of directors of certain appraisal districts."

Proposition 5 (HJR 3) - "The constitutional amendment relating to the Texas University Fund, which provides funding to certain institutions of higher education to achieve national prominence as major research universities and drive the state economy."

Proposition 6 (SJR 75) - "The constitutional amendment creating the Texas water fund to assist in financing water projects in this state."

Proposition 7 (SJR 93) - "The constitutional amendment providing for the creation of the Texas energy fund to support the construction, maintenance, modernization, and operation of electric generating facilities."

Proposition 8 (HJR 125) - "The constitutional amendment creating the broadband infrastructure fund to expand high-speed broadband access and assist in the financing of connectivity projects."

Proposition 9 (HJR 2) - "The constitutional amendment authorizing the 88th Legislature to provide a cost-of-living adjustment to certain annuitants of the Teacher Retirement System of Texas."

Proposition 10 (SJR 87) - "The constitutional amendment to authorize the legislature to exempt from ad valorem taxation equipment or inventory held by a manufacturer of medical or biomedical products to protect the Texas healthcare network and strengthen our medical supply chain."

Proposition 11 (SJR 32) - "The constitutional amendment authorizing the legislature to permit conservation and reclamation districts in El Paso County to issue bonds supported by ad valorem taxes to fund the development and maintenance of parks and recreational facilities."

Proposition 12 (HJR 134) - "The constitutional amendment providing for the abolition of the office of county treasurer in Galveston County."

Proposition 13 (HJR 107) - "The constitutional amendment to increase the mandatory age of retirement for state justices and judges."

Proposition 14 (SJR 74) - "The constitutional amendment providing for the creation of the centennial parks conservation fund to be used for the creation and improvement of state parks."

The information in the parentheses after the Proposition number is the enacting legislation from the Texas Legislature. You can read the actual bills that are creating these amendments by going to the Texas Legislature Online and looking up the bill in the “Search Legislation” box. Just make sure you select “88(R)” for the “Legislature” except for Proposition 4, which should be from “88(2)”. Be sure to click on the tab “Text” to see the bill text and the bill analysis. Both can provide insight into the amendment. <https://capitol.texas.gov/>

The Secretary of State (SOS) has put together a document with explanatory statements on each proposed amendment as well. <https://www.sos.state.tx.us/elections/forms/2023-explanatory-statements-14-final.pdf>

Finally, the Texas Legislative Council has published an analysis of each of the propositions and a summary booklet has been posted on their website. It provides some background as well as the pros and cons for each proposed amendment. <https://tlc.texas.gov/docs/amendments/analyses23.pdf>

ELLEN TROXCLAIR

OUR STATE REPRESENTATIVE

Friends,

I've heard the rumors, about how the push for COVID-driven lockdowns and mandates may be coming back. NOT in Texas! NOT if I can help it!

While we didn't get all our medical freedom bills passed this session, there is some good news: [HB44](#) was passed, which for government-contracted doctors, prohibits the denial of care to Medicaid and CHIP patients. Previously, the largest such practice over in the Austin area had a policy which prevented medical treatment of pediatric patients who were not vaccinated on a particular timetable. [HB609](#) better keeps Texas businesses & employees protected from government overreach, and [SB29](#) bans mask & vaccine mandates for city, county, and state government employees in Texas, for COVID-19 & variants, and also passed into law! My fight for a [ban on mandates, and further medical freedom](#), continues, there is much good work yet to be done.

Just a joy to give a legislative update with Representative Harris to the [Leander Area Republican Women](#) - founded in 2020, and already a "jumbo"-sized club! Consider joining your local [Texas Federation of Republican Women's Group](#)! We're stronger together!

'MURICA! Our very best to Boerne's Samuel A. Martin, who I selected to receive the Texas Armed Services Scholarship Program nomination on behalf of House District 19.

He's already hard at work back at Texas A&M for the school year, aiming for his lifelong goal of becoming a pilot in [the Air Force](#). A hardworking member of the [Corps of Cadets](#) there at A&M, he is studying Economics. Please keep this patriot in your prayers!

ALL ABOUT THE WATER! In addition to talking with you one-on-one, my staff and I have been attending the [Central Texas Water Coalition town halls](#) and connecting with fellow legislators at the State and Federal level. Drought won't stop us from planning how to better manage our water resources over the years. The [largest drought the U.S. has experienced in ten years](#) can be clearly seen, as it continues to impact our rivers and other surface water. Below the surface our pooled and flowing groundwater, which provides over half of our supply, awaits [those rains that we know will come!](#)

Did you know that [about one-third](#) of single-family residential water consumption across Texas is for outdoor uses? Simply reducing irrigation, pool maintenance, & car washing can make a huge difference! Texans can also take big steps towards water resiliency by: simply harvesting rainfall! It's legal, and [Texas encourages it!](#)

If you missed my earlier water-focused newsletter -[Read it now!](#)

Texas is abundant, and when we manage these precious resources more sustainably, we're more resilient in the face of nature's ongoing cycles and challenges.

HEADS UP, **BURNET COUNTY!** The [Capitol Area Metropolitan Planning Organization](#) is taking a look at transportation in Northeast Burnet County.

There's an online Transportation Open House where you are encouraged to provide feedback. If you live, work, or travel through this area, please take a moment today. [Review the study information, complete the survey](#), and leave any input you may have about specific locations in the study area using the interactive map.

AND BLANCO! The US 281 Blanco Relief Route Study to review route options along US 281 in the city of Blanco needs [your review, and feedback!](#)

TEXAS LEADS! September 1st marks the day [some 70 bills](#) kick into effect.

These include everything from school safety (HB 3 an armed officer at every school campus in Texas and mental health training for school staff that interact with children) to protecting kids from life-altering surgeries and drugs in the name of gender ideology. Sexually explicit "shows" can no longer be put before children as well.

Law and order: Fentanyl overdose deaths will now be categorized as "poisonings," which means any Texan who provides someone with that fatal overdose of Fentanyl is liable to face a murder charge. Rouge District Attorneys are now on notice: the courts can remove them for official misconduct if they opt not to pursue certain types of crimes.

FIRST DAY OF SCHOOL! Our three little Texans are so happy to be back at school! Kudos to all the families, educators, and staff who put so much love and effort into these first days of the school year! We can best support this next generation of Texans by equipping them with strong values, an independent spirit, and the timeless practice of learning how to learn. Parents are the best ones to choose the environment that best suits their family's culture, and their child's well-being.

Labor Day weekend is a great time to replenish yourself after a hot summer. In 1894, [President Cleveland, a moderate Democrat](#) - remember those? - picked September 1 for this moment, in part against calls from

socialists to proclaim May 1 as an "international worker's day." While collectivist ideologies are un-American, working hard is just part of who are are as Americans!

The joyless Left seeks to divide, and reduce people to less than the full humans we are. We are more than "workers," or our politics, gender, or race. We are meant for more; we're meant to live and fly together, and to embrace the fullness of God's grace upon us. So let's celebrate all that we are: Happy Labor Day!

OFFICE OPENING THIS WEEKEND! If you live by Boerne, please join me, and many special guests as we open my Kendall County District Office! Both events are at 624 North Main Street, in Boerne! THIS FRIDAY at 1:30 pm a host of local superstars are coming to celebrate the Grand Opening with a Ribbon Cutting, hosted by the Boerne Chamber of Commerce! THIS SATURDAY bring the whole family after the parade for an open house from 11:00 am - 1:00 pm!

While the Senate will be convening in September, I expect that later this autumn both the House and Senate will have a robust special session or two. I am here for it - for further property tax relief, empowering parents to select the best education options for their children, and much more in the years to come!

Like what you're reading? FORWARD this email, and share this link with friends who want the best for the future of Hill Country, so they can get this newsletter too!

Gratefully,
Ellen

May Meeting Minutes

Burnet County Republican Women Minutes of General Meeting – May 11, 2023 Sylvester H. Reed Memorial Building – Burnet, Texas

Welcome, Call to Order, and Opening Ceremonies: President Mary Jane Avery welcomed everyone and called the meeting to order at 11:35 A.M., and a lunch was served. Chaplin Sue Boss Lee gave the invocation followed by the pledges to the American and Texas flags led by Vicinta Stafford.

Introductions: Elected officials, precinct chairs, and candidates introduced themselves. Guests were introduced. Brenda Eubank introduced the 2023 scholarship

recipients and their family members.

Approval of Minutes: The April minutes were published in the newsletter. There were no corrections or additions. The minutes stand approved as distributed.

Membership: Janice Estill reported that we have two new members who mailed in membership forms for a total membership of 115.

Caring For America: Our donations this month will go to Camp Hope. This is a six-month program for veterans with PTSD. Checks are to be made to Camp Hope. Cash is also welcome.

Texas Youth Summit: The summit will be held July 6-9 at the Texas Tech campus in Junction. Cost is \$150. BCRW will pay for one student to attend. If anyone knows of a junior or senior in high school or a college student, please encourage them to contact Mary Jane to apply.

Delegates to TFRW Convention: The convention will be in Los Colinas on October 12-14. The early bird registration is \$195 due by May 15. Anyone interested should sign up at the table today.

Introduction of Scholarship Recipients: Brenda Eubank introduced the scholarship recipients who read their essays: Kara Kwan, Faith Academy; Gretchen Hanneman, Marble Falls High School; and Claire Teague, Burnet High School. Claire was not in attendance because she was taking an exam, so Brenda read her essay.

Program: Gail Teegarden introduced our speaker, Tom Maynard, District 10 Representative on the State Board of Education. The main purpose of the State Board of Education is to manage the permanent school fund. The board also develops the skills to be taught but does not govern how they are taught. The state provides textbooks, but local school districts determine whether the district will use the textbooks. Local school boards are very important. The 1875 Article VII of the Texas Constitution mandated that the legislature establish, maintain, and provide for public education.

Announcements:

- Stacy Smith reminded everyone to read Ellen Troxclair's newsletters. If you don't get one, let Stacy know.
- Burnet County Republican Party CEC Meeting is tonight at 6:30 in the Reed Building.
- Wine Wednesday – May 31st at Adriano's.
- Janice Estill gave a report from the Burnet County Republican Club. The next meeting will be May 15th, 6:15 at the Ragtime Oriole. Refreshments will be served at 5:30 prior to the meeting. The speakers will be Burnet County Sheriff Calvin Boyd and August Alvarado, Deputy Chief of Staff for Congressman John Carter.
- Summer Socials: June 8 – "Charcuterie Board Contest" at the home of Mary Jane. Guest speaker is Orlando Sanchez from Houston. The purpose of the summer socials is to bring friends to get them involved in the Republican Party.

Thank you to BCRW Vice President Carolyn Alexander and her Hospitality Committee. The meeting was adjourned at 1:00 P.M. with the singing of "God Bless America," led by Carolyn Richmond.

Respectfully submitted,
Darlene Hargett
