Senator Cruz is building up a Women for Cruz Coalition and would be honored to have you be a part of it.

Your involvement is however much time you are able to commit. There is no monetary commitment to joining a Coalition. Senator Cruz wants as many prominent women in Texas to stand behind him in his reelection. Our one request is that you make your name available in your personal capacity so that we could potentially include it in the press release. Senator Cruz wants as many people engaged in this election as possible.
